Quick glossary

Term	Meaning
401(k) / 403(b)	Retirement savings plans offered through an employer. 403(b) is the version for non-profits and schools.
IRA (Traditional / Roth)	Individual Retirement Account, opened by the person rather than an employer. Traditional: taxed on the way out. Roth: taxed on the way in, tax-free on the way out.
Rollover	Moving retirement money from one plan to another (usually an old employer 401(k) into an IRA) without paying tax on it.
Account transfer	Moving an existing account (e.g. a brokerage account) from another firm as-is. It's a different process from a rollover.
529 plan	A tax-advantaged account for education costs (college, some K-12).
RMD	Required Minimum Distribution: the amount the IRS requires people to withdraw from most retirement accounts each year once they reach a certain age.
Plan loan	Borrowing from your own 401(k)/403(b) balance and paying it back through payroll.
Hardship withdrawal	Taking money out of a workplace plan early because of a qualifying financial emergency.
Pension	An employer plan that pays a set monthly benefit in retirement.
Beneficiary	The person who inherits an account when the owner dies.
Power of attorney (POA)	Legal permission for someone to act on another person's behalf.
QDRO	Qualified Domestic Relations Order: a court order that splits a retirement account in a divorce.
Cost basis	What you originally paid for an investment. It's used to calculate capital-gains tax.
Service tier	A service level based on total assets, e.g. Voyager or Flagship. See the Segmentation Groups doc.
Digital / Personal Advisor	Vanguard's advice services: digital is algorithm-managed; personal includes a human advisor.

Hard cases for your evaluation set

Add these to your test set. They're the cases that make a classifier look good or bad in a demo.

Case	Example	What good looks like
Two intents in one message	"roll over my 401k and open a 529"	Top-1 `ROLLOVER_HELP`, `EDUCATION_SAVINGS` in the top-3
Vague "move money"	"move my money"	Low confidence. `UNKNOWN`, or spread across `ROLLOVER_HELP` / `ACCOUNT_TRANSFER` / `WITHDRAWAL`
Typos / slang	"wat is my ballance", "401k loan asap"	Same label as the clean version
Very long message	A paragraph of backstory with the ask at the end	Labels the ask, not the backstory
Negation	"I don't want to close my account, just the joint one"	`CLOSE_ACCOUNT` (scope matters, polarity doesn't flip it)
Off-topic but financial	"should I buy bitcoin"	`ADVICE_INTEREST` or `UNKNOWN`. Pick one rule and document it

Sentiment labels

Output: `sentiment` (one of three labels), `confidence` (0–1), and `escalationSuggested` (boolean).

Label	Meaning	Examples
`POSITIVE`	Satisfied, thankful, upbeat.	"thanks, that was easy!" · "love the new app"
`NEUTRAL`	Informational, with no emotional signal. Most messages land here.	"what's my balance" · "update my address"
`NEGATIVE`	Frustrated, upset, anxious, or angry.	"why is this so hard" · "I'm really worried about losing money" · "this is ridiculous"
